**PETITION FOR REFUND OF
4 MONTH MISSING PARTS EXTENSION FEES**

Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It is respectfully requested that the 4-month extension fees in the amount of \$1,480.00 less \$130.00 for filing the Missing Parts documents be refunded.

Repeated calls were made to the United States Patent Office for the status of the application after we received the return postcard with the serial number of 10/601,073. The information given to Sierra Patent Group was that the Application was in the pre-exam stage and was being scanned which was cause of the delay in our receiving the Missing Parts Notice.

On January 16, 2003 Mr. Wallace of the United States Patent Office was finally able to confirm that the form was mailed to Sierra Patent Group, Ltd. on August 14, 2003. At that time we requested a facsimile copy of the form.

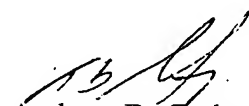

Enclosed are copies of four weeks of mail logs that supports our claim that this office did not receive the Missing Parts Notice.

We respectfully request that a refund in the amount of \$1,480.00 less the \$130.00 surcharge be granted as the delay in responding to the Missing Parts Notice could have been avoided had the Notice not been lost in the U.S. mail.

Respectfully submitted,
Sierra Patent Group, Ltd.
